

Jordan Reyes

Software Engineer

jordan.reyes@email.com (555) 210-4432 Austin, TX [linkedin.com/in/jordanreyes](https://www.linkedin.com/in/jordanreyes)

Summary

Software engineer with 4 years of experience building customer-facing web applications. Shipped features used by 2M+ monthly users and cut page load times by 45%. Strong in React, TypeScript and cloud infrastructure.

Experience

Software Engineer · Brightlane, Austin, TX

Jun 2023 – Present

- Led migration of the checkout flow to React + TypeScript, reducing cart abandonment by 12%.
 - Built internal design-system components adopted by 5 product teams.
 - Cut p95 page load time from 3.2s to 1.7s via code splitting and CDN caching.
-

Junior Developer · Nova Retail, Remote

Jul 2021 – May 2023

- Developed REST APIs in Node.js powering order tracking for 300k customers.
- Automated regression test suite, cutting release QA time from 2 days to 4 hours.
- Instrumented checkout funnel analytics that surfaced a 9% drop-off recovered by a one-day fix.

Education

B.S. Computer Science · University of Texas at Austin, Austin, TX

2017 – 2021
